## **EASTERN SHORE of VIRGINIA**

Where "Heaven and Earth Meet" in the words of Capt. John Smith who described this land as the best suited for man's habitation of any of the many places he had been.

### **THE OLD HAND AT THE NEW STAND**

"There is no substitute for experience." Sam Tankard, Jr. of the Tankard Brothers has been in the Nursery business for 27 years. He and brother John give close supervision to growing good stock and careful attention to filling your orders.

In 1946, they established the present nursery at Exmore, Virginia and now have a large stock of the finest of ornamentals with which to serve old and new customers.

Tankard's is not the largest nursery in the country, but it is one of the best.

The Eastern Shore and the Del-Mar-Va Peninsula have become a great nursery center. Come and find all your wants.

## **WHOLESALE PRICE LIST** **FALL 54 — SPRING 55**

Within easy trucking distance of Eastern points, but we can ship anywhere by express, freight, or truckload.

We have customers in 17 states - from Mass. to Oklahoma, and have received many compliments on our plants and our packing.

**Terms and Conditions:-** Prices are F. O. B. Exmore, Virginia, packing in boxes and bales additional, subject to prior sale, and our confirmation of the order. Terms are cash with order or 1-4 cash with order, balance C. O. D., unless credit has been established with us.

50 plants at 100 rate; 500 at 1000 rate.

WE CAN DIG AND SHIP ALMOST ANY WEEK DURING THE WINTER, SPRING OR FALL. However, we advise you to let us have your order at once so we may reserve stock for you. Many items are scarce this season.

We box Azaleas and pack deciduous stock for L. C. L. shipment by Rail and to some destinations by truck lines, but cannot undertake to box and ship larger evergreens. These are offered only for bulk shipment by truck or car load.

## AZALEAS

For forcing and landscape planting.

We grow many thousands of beautiful plants, dense, and bushy. These are the finest Azalea plants we have ever raised. Grown in natural Azalea soil in the field, under full sun. Place your order now as there were not enough plants to meet the demand again last season, and sales have already taken the majority of this years crop.

Within easy trucking distance of Eastern points, but we can ship anywhere by express, freight or truckload.

For Azalea orders, 1000 rates apply on all orders for 500 or more plants for bulk (truck) shipment. 100 rates apply on all Azalea orders to be packed for shipment in boxes.
